THE POWERS CASE!

MOVED TO FEDERAL COURT

Gist of Federal Judge Cochran's Decision, Rendered This Morning

JUDGE A. M. J. COCHRAN

The case of Caleb Powers has become a National issue.

He has been thrice tried in the State Courts and thrice convicted on the charge of conspiracy in the killing of Goebel; and thrice has the Court of Appeals, the highest judicial tribunal in Kentucky, set aside these convictions.

His faithful and untiring Attorneys some months ago gave notice that they would apply to United States Judge Cochran for a transfer of the case from the State to the Federal Court, and on the 8th of June last the motion to that effect was ably argued pro and con before Judge Cochran in this city.

At the conclusion of the argument the Judge gave notice that on account of the supreme importance of the case and the many intricate questions involved, he would take the matter under careful advisement, but would in any event hand down his decision before the 10th day of July.

In accordance with that declaration, Judge Cochran this morning convened his Court in this city at 10:30 o'clock to hand down his opinion.

The document is a most exhaustive one, requiring some three hours in reading.

The Court holds that the prosecution against Caleb Powers pending in the Scott Circuit Court has been removed to the United States Circuit Court for the Eastern District of Kentucky by the removal proceedings taken in Powers' behalf under Section 641 U. S. Rev. Stat. and sustains his motion for a writ of habeas corpus to transfer his custody from that of the state of Kentucky to that of the United States.

The ground upon which the Court so holds is that it appears from the petition for removal and the transcript of the record in the State Courts that the defendant has been and is denied the equal protection of the laws by the Scott Circuit Court and cannot enforce his right thereto in the Court of Appeals because of Section 281 of the Criminal Code as construed by that Court.

The Court further holds that the decision of the State Courts against the validity of Taylor's pardon is not a good ground for removal, as it feels bound by that decision as to the validity of the pardon, and the validity thereof is not secured by the equal protection of the laws clause of the Fourteenth Amendment.

ARM BROKEN

Mrs. Amanda Elliott of the Sixth Ward Sustains Injury

Mrs. Amanda Elliott met with a severe accident at her home in East Second street late Wednesday evening.

While about starting to pay a visit to a neighbor, she stood too near the edge of the veranda, and losing her balance, fell down several steps into the yard.

After being assisted into the house and medical aid being summoned, it was found that her left arm had been broken near the shoulder, which, owing to Mrs. Elliott's advanced age—nearly 70—makes her accident quite serious.

In accordance with that declaration, Judge Cochran this morning convened his Court in this city at 10:30 o'clock to hand down his opinion.

The document is a most exhaustive one, requiring some three hours in reading.

UNFORTUNATE ACCIDENT

Mrs. W. T. Hughes Meets With a Peculiar Mishap Recently

Some days ago Mrs. W. T. Hughes, who lives in Carmel street, met with an unfortunate and painful accident.

Her husband is afflicted and at times without a moment's warning falls prostrates.

On the above occasion the faithful wife attempted to catch her husband as he was about to fall, and in doing so they both came down together, Mr. Hughes falling across his wife's right leg, breaking it in two places.

She is now able to sit up and with the same careful attention that has been given her it will not be long before she will have recovered the full use of her limb.

DROPPED DEAD

Aged Colored Man Expires While Witnessing Baseball Game

Charles Brookens, an aged colored man, dropped dead yesterday afternoon while witnessing a game of baseball at the East End Park.

He had been in feeble health for some time and his death was not altogether unexpected. The verdict of the Coroner's Jury was heart failure.

He lives in the old Colored Church building in the rear of Phister avenue, and leaves a wife and one son, and a brother in Covington.

The family is extremely poor and it is quite likely that the city will be called on to bear the expense of the funeral.

The grocery of A. Dent Neal at Vanceburg was robbed of about \$50 in cash and goods one night this week.

D. D. Company, Chicago.
Gentlemen—I have suffered for a long time with fearful sores on my hands, in fact both hands were nothing but huge sores. It started from a very little spot between two fingers. I tried everything and many doctors, but until I used the D. D. Prescription I was even discouraged with this at first for I used it for four months but the hands continued to peal and scale and were no better. I kept on though and at the fifth month there was some improvement, and at the ninth month I was able to use my hands again. I was now in perfect condition. To say that I am grateful doesn't begin to express my feeling. Life is now worth living, thanks to you. Sincerely,

MAY BENSON.

Thousands of wretched people are miserable—driven almost mad by the terrible itching and burning sensation of Eczema and other skin diseases.

Many imagine they are suffering from bad blood, when as a matter of fact the blood has nothing to do with it. These awful tortures are caused by little germs that attack the skin externally, which can be rooted out quickly, leaving the skin clear, soft and healthy. The misery is cleared away as surely as the sun shines above. Not merely attempted, not a matter of improvement merely, not a temporary relief—but a clearing of it all away absolutely and permanently.

The D. D. D. Prescription,

a specific formula, put up in sealed bottles with authentic label at \$1.00 per bottle, has proven to be the only certain cure for these diseases. Its record of cures is astonishing, amazing, almost miraculous. It is a liquid, used externally, non-greasy.

With the latter-day Labor Unions of Chicago it's not shorter working days and more pay, but it's no work and big graft.

YOUR Austrian landlord can give the Atlantic City fellow spades and then some. Recently the Shah of Persia with his suite stopped over night at a hotel in Lemberg, occupying 46 large and 32 small rooms. Next morning the Shah's Chancellor of the Exchequer was paralyzed by a bill for \$10,000. There wasn't enough cash in the party to pay it, and a Bank had to be called in.

It is now given out by the High-Muckalorums that hereafter property owners will be required to pay for gutters put down in front of their property. Now, let's understand. Is the property owner to pay for a brick gutter put down by some mullet-head this month? and then for a concrete gutter put down by a third mullet-head the month after? Within the past thirty years the city has spent enough for so-called "gutters" to build ten miles of the best street in the world.

In the matter of "obituary poetry," idiocy seems to have run wild. A recent impression of The Lexington Leader carried five "verses" of doggerel, the last chunk in words and "rot" towit—

"She was so bright, innocent and mild,
God called her for his own dear child,
No sweeter Angel will there be
Than Little Lena Frances Tacke."

And to think that the authoress was so proud of the production that she actually signed her name to it—a wise precaution on the part of Editor ROBERTS, probably, to protect himself from indictment on the charge of poetry.

THE LIVER QUARANTINE

"Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health."

"A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness. In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder afflictions. No well-regulated family should be without this standard remedy."

Attorney Clarence L. Sallee has been appointed a member of the State Central Committee of the Educational Improvement Commission of Kentucky. Although Mr. Sallee is a busy lawyer, he finds time to devote to the cause of education and is much interested in the welfare of the Public School System. The appointment is a good one.

OPERATION AVOIDED

EXPERIENCE OF MISS MERKLEY

She Was Told That an Operation Was Inevitable. How She Escaped It

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, the very thought of the knife and the operating table strike terror to her heart, and our hospitals are full of women coming for ovarian or womb operations.

Miss Margaret Merkley

There are cases where an operation is the only resource, but when one considers the great number of cases of ovarian and womb trouble cured by Lydia E. Pinkham's Vegetable Compound after physicians have advised operations, no woman should submit to one without first trying the Vegetable Compound and writing Mrs. Pinkham, Lynn, Mass., for advice, which is free.

Miss Margaret Merkley of 275 Third Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—

"Loss of strength, extreme nervousness shooting pains through the pelvic organs, bearing down pains and cramps compelled me to seek medical advice. The doctor, after making an examination, said I had an ovarian trouble and ulceration and advised an operation. To this I strongly objected and decided to try Lydia E. Pinkham's Vegetable Compound. The ulceration quickly healed, all the bad symptoms disappeared and I am once more strong, vigorous and well."

Ovarian and womb troubles are steadily on the increase among women. If the monthly periods are very painful, or too frequent and excessive—if you have pain or swelling low down in the left side, bearing down pains, leucorrhœa; don't neglect yourself: try Lydia E. Pinkham's Vegetable Compound.

BABY'S FACE MASS OF SORES

Ears Looked as if They Would Drop Off—Body Entirely Covered with Humor—Three Doctors Could Not Cure—Child Grew Worse.

CURED BY CUTICURA IN TWO WEEKS

Mrs. George J. Steele, of 707 Coburn St., Akron, Ohio, tells in the following letter of another of those remarkable cures of torturing, disfiguring skin humors daily made by Cuticura Soap, assisted by Cuticura Ointment, after physicians, and all else had failed: "I feel it my duty to parents of other poor suffering babies to tell you what Cuticura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of sores, and her little face was eaten away, her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and before I had used half of the cake of soap and box of ointment the sores had all healed, and my little one's face and body was as clear as a new-born babe's. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever."

SLEEP FOR BABIES

Rest for Mothers.
